**Estimated Fair Market Value \$** \_\_\_\_\_ **Suggested Minimum Bid \$** \_\_\_\_\_  
(Some or all may be tax deductible) (usually 30% to 50% of value)

**Hint:** *Bidding is more lively when starting at 30% of value. If no one outbids the min. starting bid, it will be sold at that price, unless you set a "reserve" value under which you will not sell.*

**Reserve or mandatory bid** (amount under which you will not sell): \$ \_\_\_\_\_

You do not have to set a reserve. If you do set one, your wishes will be respected. If the reserve price is not reached, the item will be set aside. The bid sheet will indicate that an item has a reserve, but will not reveal the value.
